

MONEY BACK GUARANTEE

You may return your Mighty Lite mats within 30 days of purchase for a full refund if for any reason you are not completely satisfied.

Simply return them prepaid to our nearest warehouse (we have 25 to serve you). Once received and inspected we will cheerfully refund your credit card or mail you a check for the full price of the mats only and taxes (if any).

No refund will be given if the mats have been cut or trimmed or in any way altered or not used for their designed purpose or if damaged by calks or borium plated shoes.

We are very confident that you will love your Mighty Lites, but if you decide to return them within the first 30 days, call us toll free for a RMA (Return Merchandise Authorization). Without a valid RMA, our warehouses cannot accept the mats.
